Brain Health: Understanding Military-Related TBIs

Traumatic brain injury is a significant health issue that affects service members and veterans during times of both peace and war. This webinar will examine the VA and Military Health System (MHS) TBI pathway of care, current DoD understanding of concussion and symptom clusters, and provide resources for the management of concussion.

PRESENTERS

Kristen Benson

Regional Education Coordinator
Traumatic Brain Injury Center of Excellence (TBI CoE)
of the Defense Health Agency

Courtney Piccolo

Regional Education Coordinator
TBI CoE of the Defense Health Agency,
Certified Therapeutic Recreation Specialist
and Certified Brain Injury Specialist
