

Learn how you can help increase food security for military families.

LIVE PANEL DISCUSSION

Supportive Programs and Benefits to Expand Food Security for Military Families

Dr. Angela Odoms-Young facilitates a panel discussion among expert representatives from federal agencies to explain how military families can access benefits and programs aimed at alleviating food insecurity. Join this discussion to explore how various food security programs and benefits may intersect and align. Equip yourself with the knowledge needed to make the best possible recommendations and referrals for the families you serve.
