

# Ethics in Action: Concepts, Practice, and Context

## ABOUT THIS WEBINAR

In this educational webinar, join us to delve into the realm of ethics and professional practice, with a special focus on ethical considerations relevant to professionals dedicated to enhancing family readiness and well-being within the military setting. Throughout this learning experience, participants have the opportunity to:

1. Explore ethical frameworks that advocate for justice, fairness, and equity.
2. Delve into the practical application of ethical perspectives in the decision-making process.
3. Acknowledge the potential influence of personal experiences and preferences on professional perspectives and discover strategies to mitigate bias and subjectivity.
4. Identify avenues for advancing their professional expertise in ethics and related areas through the resources offered by the OneOp program.

## PRESENTER

### Christopher Plein, Ph.D.

*Professor of Public Administration*

Eberly Family Professor for Outstanding Public Service  
West Virginia University

Christopher Plein, Ph.D. is a Professor of Public Administration and Eberly Family Professor for Outstanding Public Service at West Virginia University. His academic research on health and social policy has been published in such journals as *Health Affairs*, the *Journal of Health and Human Services Administration*, and *The Journal of Health Care for the Poor and Uninsured*. His expertise on Medicaid and health policy has led to invited presentations at the state and national level, presentations to the West Virginia Legislature, and interviews with state and national media. Dr. Plein is also part of OneOp and works on issues related to lifespan caregiving and individuals with special needs.
