

# Occupational Safety & Immunization Education for Ag Businesses

Proactively invest in the health and safety of your workforce

October 2022 - April 2023

## EDUCATION SESSIONS

CUSTOMIZED FOR YOUR GROUP, ORGANIZATION, OR BUSINESS

University of Idaho is offering free occupational safety and immunization education during mobile vaccination clinics customized to your workforce. This opportunity is available to rural communities with limited access to healthcare and/or those with a large population of Hispanic agricultural workers.
