## Default Question Block

Informed Consent: Thank you for your willingness to participate in this survey. If you are an adult (at least 18 years of age) and currently participating in the Vaccine Conversation Guide pilot test, you are eligible for this survey. If you complete this survey, it will be included in a research study evaluating the program. Participation in this study is voluntary and anonymous. You can choose to not answer any questions you do not want to answer and/or you can stop at any time. The information provided will be combined with responses from other individuals. You may contact our program evaluator at [agold@umn.edu](mailto:agold@umn.edu) if you have any questions about this research. You may also contact a representative at University of Minnesota Institutional Review Board with any questions about your involvement in this study at [irb@umn.edu](mailto:irb@umn.edu). By participating in this survey, I agree to my survey responses being part of a research study.

- Yes, I understand what is being asked of me and I give my consent to participate in this survey
- No, I do not give my consent to participate in this survey
