

# Join Us for the 2024 Community Cancer Action Resource Education Series (Community CARES) Project ECHO:

Cancer Action Resource Education Series

## ScreenNJ invites you to participate in our Community CARES 2024 Project ECHO Professional Training Education Series

Community CARES is an in-depth training program that will help you confidently promote evidence-based, community-focused cancer prevention and screening to your patients, clients, and community members.

Participants will receive educational coaching, and other resources to deliver cancer education to their communities.

### LEARN

Registration is open to healthcare professionals of all types as well as community members.

### APPLY

Information and knowledge about different types of cancer and community prevention strategies.

### DEVELOP

Community-based initiatives to help prevent cancer in your community before it starts.

**New topics each month starting  
Wednesday, February 14<sup>th</sup>, 2024  
10-11:30am EST  
Every 2<sup>nd</sup> Wednesday of the month  
Register Today!**
