

PODCASTING IN EXTENSION

Featuring Melelani Oshiro
Assistant Extension Agent - Livestock Programs
University of Hawaii Extension

Hear from Melelani about her successful Extension podcast, Livestock Wala'au - a bi-monthly podcast that provides educational support, outreach, information, and guidance to livestock stakeholders in Hawaii through interviews with industry personnel, livestock producers, UH Extension agents, specialists, and other government agency personnel about relevant topics.

Tuesday, April 16

8am HST | 11am PST | 12pm MT
